

SONOMA SKYPARK NEWSLETTER

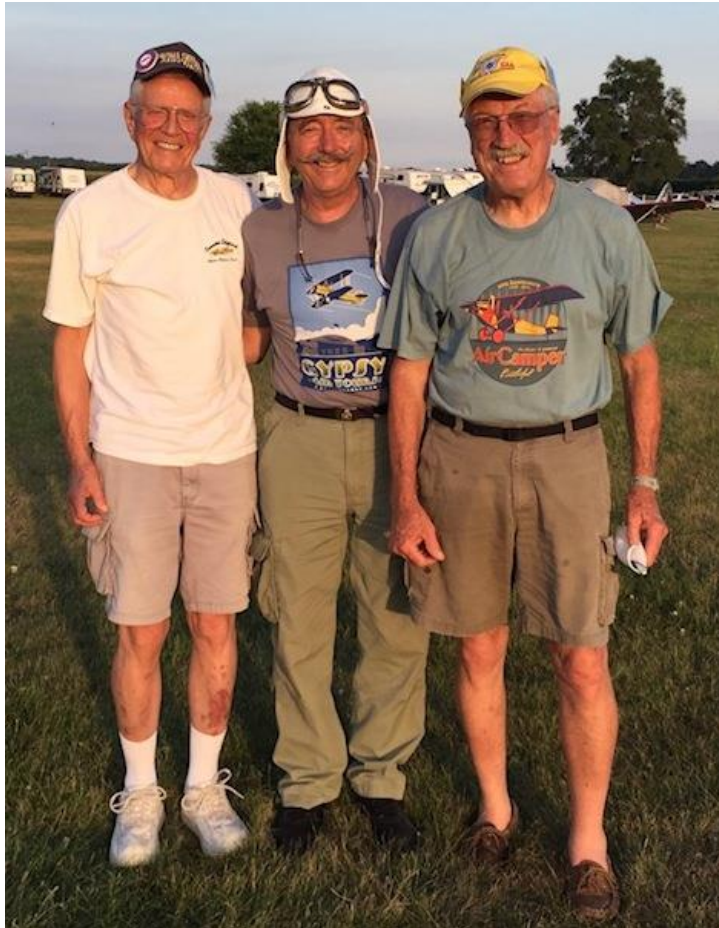

SEPTEMBER 2021

In Memory of Paul Siebert 10-28-34 to 8-19-21 and a life well lived and well loved. Sonoma Skypark will miss you.

AIRPORT HAPPENINGS

Asphalt - Our asphalt repair project was successfully completed on Friday 8/20. The apron and East end of the taxiway were covered in an asphalt overlay. The parallel taxiway was treated with Hot Rubberized Crack Sealing (with large cracks being backfilled with asphalt first). The result is a much smoother and plane friendly tarmac! The tail-draggers especially appreciate the repaired taxiway. For those interested I posted photos on our Facebook page of the work being done.

Power Washer - I had been asked about this a few weeks ago and didn't know the answer... well, here it is! Manuel Estrada with NATIONAL MOBILE POWER WASHING. They have been power washing the adjacent warehouses for years.

CALENDER

BBQ - Every Saturday 12:00 - 1:30pm. Please remember Sonoma County mandates wearing a mask inside buildings. The clubhouse will be opened up with fans going for good air circulation.

Movie Night - Postponed Due to COVID

Display Days - Sat/Sun September 11-12. I contacted Sonoma County Assessor's Office and they haven't made a decision yet whether they will issue a waiver for the January 1, 2022 lien date. I was told to check back at the end of the year.

VFW 9th Annual Car Show - Saturday September 18, 9:00am - 3:00pm. Sonoma Veteran's Memorial Building, 126 1st St West, Sonoma CA 95476. At the VFW Annual event enjoy 50's & 60's music, silent auction, food/merchandise vendors, and the ever popular sparkplug changing contest!

Family Fun Day - TBD if there will be one this year or not.

THOUGHTS

Last but not least... Please remember all those who lost their lives in the September 11 2001 attack on our country. Freedom is precious and fragile and at times demands the ultimate price.
