

SEPTEMBER 2022 SSP NEWS

We have a new addition to our flag poles!
It celebrates our lovely airport!

Sonoma Skypark Office will be closed
Monday September 5, 2022 to observe this holiday.

LOTS going on this month! In case you haven't heard, our runway is getting some TLC, so we will be closing the airport. There will be a NOTAM issued to remind pilots of the closure.

This means no Display Days 9/10-11, no Young Eagles 9/11, or flying in for Saturday BBQ 9/10 (BBQ will still be held).

SONOMA SKYPARK AIRPORT TOTAL CLOSURE NOTICE

Friday SEPTEMBER 9th thru Wednesday SEPTEMBER 14th

ABSOLUTELY NO ACCESS – YELLOW AREA

ABSOLUTELY NO ACCESS: No takes offs or landings. The area is totally off limits to planes, vehicles, people, animals, RC planes, hot air balloons. No crossing of barricaded areas is allowed.

Friday 9/9 – Sunday 9/11:

The runway will be back filled, crack sealed, and seal coated.

Monday 9/12 – Wednesday 9/14:

The runway lines, numbers, symbols will be totally repainted

JOHN BATTO IN HIS LOVELY T-28

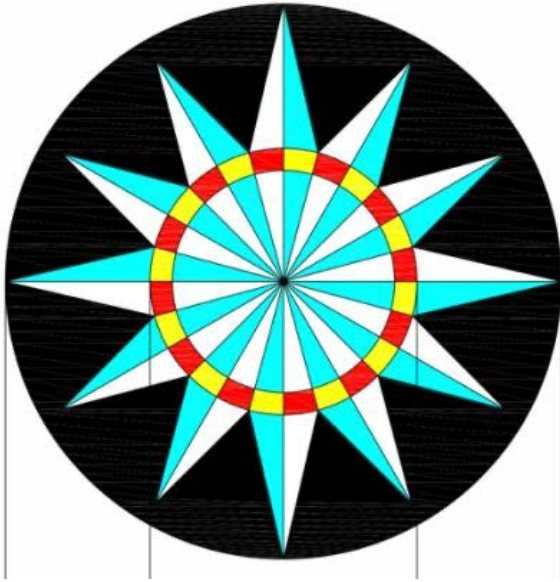

Shareholder George Bachich at the Cotati Accordion Festival with his “Accordion Autopsy” table!

Our partners REACH, CalStar, Conair, SVFD, AMR, and Sonoma Life Support! There have been eight transfers in the past five weeks.

Thank you Darrel for designing Sonoma Skypark's new compass rose and all the time you donated to make this project work!

Thank you *PHILLIP DANSKIN & ASSOCIATES* Land Surveyors for donating your time and talents in laying out the design for our magnetic North compass rose! 415-459-2558. dominic@marinsurveyor.com

Darrel (former Troup 27 Eagle Scout) working on the layout early Saturday morning

Sonoma Skypark was honoured to host BSA Troup 9 (Petaluma) and Troup 27 (Sebastopol) so they could do the painting and earn a Merit Badge. The boys were great, and after a very long day working they camped out down at the big oak tree.

Sunday they joined Young Eagles and took a ride with our volunteer pilots.

Thank you to John Schempf - Scoutmaster Troup 9, Duncan Flett - Scoutmaster Troup 27, and Dr. Mark for their wonderful leadership skills.

As well as our lovely new compass rose and runway, we will be working on other projects very soon towards beautifying the gem that Sonoma Skypark really is.
