## Sonoma Skypark News!

*Happy 90<sup>th</sup> birthday this 29<sup>th</sup> December 2022 to our very own remarkable Jeanette Woods!*

*Jeanette has been an integral part of Sonoma Skypark for decades and her contributions are too many to list.*

*Along with her piloting skills (she learned to fly when she was 64!) she is delightful to have around for her sparkling personality and contagious laughter.*

*Jeanette, all of us at Sonoma Skypark Airport want you to know how much we love and value you.*

*XOXOX The Sonoma Skypark Team*

We replaced the combination lock on the outside bathroom door!  
If you fly in and see the new lock, here is how it works:

Enter the SSP UNICOM, then press the “unlock” button (lower right corner). You will hear the motor working, then it will beep and the “Honeywell” will flash green when the door is unlocked.

The door automatically relocks after 20 seconds.
