

Special REACH/EMS Newsletter

Hello To Everyone! This is a special newsletter to once again highlight our important partnership with REACH Air Medevac, SVFD, and all EMS services in Sonoma Valley.

I have had the privilege of visiting with numerous teams over the past two years and I can't emphasize enough how precious our involvement with them is. Having Sonoma Skypark as a transfer location is much appreciated by all the pilots and vehicle drivers.

As my time here as Manager comes to a close on Friday March 24, I feel the relationship with these teams is the most precious legacy I leave, and I hope an enduring one.

Sonoma Skypark is a jewel to many folks, and I'm hoping it stands the test of time and remains a viable and thriving part of the community.

Hosting the EMS teams will help ensure that.
