

SONOMA SKYPARK NEWSLETTER

AUGUST 2021

AIRPORT HAPPENINGS

Over all it's been relatively quiet here at Sonoma Skypark! Lots of folks enjoying themselves back at Oshkosh WI.

Darrel Jones has done an outstanding job blogging about AirVenture. 2021. You can find his writings at <https://www.sonomaskypark.com/news>

On Saturday 24 July the REACH/Sonoma Emergency Services performed a successful transfer of a medical patient using our tarmac. We are very pleased we can be of use to such an important mission.

The BAAQMD (Bay Area Air Quality Management District) completed a fuel tank vapor leakage inspection. We passed well within the parameters!

The Saturday BBQ is back in full swing. We are offering \$7.00 hamburgers, \$10.00 double burgers, and \$7.00 hotdogs. All with goodies like cheese, grilled/raw onions, tomatoes, lettuce, and a pickle spear on the side. Assorted chips/sodas/water are included with your lunch, as is an individually wrapped cookie for dessert. We are always looking for volunteers to help us out, so please let us know!!

Our next Young Eagles Day is Sunday August 8 at 9:00am to 11:30am.

****Asphalt Maintenance/Repair Project - Sonoma Skypark will be closed to all aviation/balloon activity August 17-19 for asphalt work. I have posted the actual notice on our Facebook page and will issue a NOTAM. Our website has a pop up notice alerting everyone to the closure. There are also hardcopies of the notice posted conspicuously around the airport. Please make note of this on your calendars!****

Safe flying everyone! -tina louise
